Good morning!

These are the **fall 2015 student prospects** who relate to your department as of February 17, 2015. This list(s) compiles all of the contacts, both applicants and prospects, Admissions Office recruiters have gathered since the last referral list(s) on November 19, 2014. It is up to your discretion whether or not to contact these students in conjunction with the efforts of the Admissions Office.

If you would like to encourage these students to attend **Super Saturday** (our fall early registration event), it will be Saturday, **March 21st**. Students can RSVP by calling the Admissions Office at 601-318-6103.

If students would like to **visit William Carey individually** before Super Saturday, please encourage them to contact the Admissions Office at 601-318-6103 to make arrangements with their recruiter. **If your department sets up an appointment** to meet with a student, please contact the Admissions Office with the date and time of the appointment if the student would like a tour of campus and admissions information in addition to departmental information.

If there is anything I can help you with, please let me know. Thank you and have a great day!
