Services

Laundry

- Each resident has access to a laundry facility, free of charge.
- Residents must provide their own detergent and softener. NO BLEACH

- Please adhere to the rules for the laundry facilities. They are clearly posted in each building.
- This service is included in your fees every trimester.

Wireless Internet

- Every residence hall is equipped with wireless internet.
- To set your computer to automatically log onto a wireless network, instructions will be distributed by the Information Technology team. Do not bring your own wireless router.
- When you check in, you must sign a paper agreeing to follow the rules about proper conduct on the internet. This paper states rules about illegal downloading, file sharing, etc.
- This service is included in your fees every trimester.

Cable

- Each room in every dorm is equipped with a cable hook up.
- TVs are not provided, except in lounges and lobbies. You must also provide your own cable cord for proper wall hook up.
- This service is included in your fees every trimester.
