UNIVERSITY**

*Hattiesburg, MS*

## MISSION STATEMENT

As a Christian university which embraces its Baptist heritage and namesake, William Carey University provides quality educational programs, within a caring Christian academic community, which challenge the individual student to excel in scholarship, leadership, and service in a diverse global society.

## VISION

William Carey University is a community of learners which seeks to blend faith and learning with living. Within this unique and challenging environment students prepare to fulfill their diverse callings in the larger global community.

## THE CAREY CREED

*"Expect great things from God; attempt great things for God."*

## THEME VERSE

Each year William Carey University chooses an annual theme which is designed to provide focus and unity for the university. The theme for 2014-2015 is *Acta Non Verba* which is a Latin phrase meaning "Action, not words." This concept is similarly expressed in James 1:22a which states, "Be doers of the word, and not hearers only..." In the Sermon on the Mount, both the fool and the wise man heard the words of Jesus, but it was only the wise man who put the words of Jesus into action (Matt 7:24-27). Students at Carey will be challenged to put their education and faith into action.

# Academics

## Requirements for a Degree

Graduation requirements may be met under any catalog in effect during the student's enrollment within six years of graduation. Community/junior college students transferring directly to WCU under admissions standards in the current catalog may elect to follow the academic policies in the immediately preceding catalog provided they were enrolled at the community/junior college at that time. Students seeking teacher or nursing license should follow currently approved programs.

English 101 and 102 must be taken in sequence upon initial enrollment.

Most undergraduate programs can be completed with 128 semester hours. See your academic advisor or the WCU catalog for details about your program of study.

The final responsibility for meeting degree requirements rests with the student. Complete requirements for a degree are listed in the William Carey University catalog.

## Transfer from a Community/Junior College

A maximum of 64 semester hours earned at a community or junior college may be applied toward most bachelors at degree at William Carey University. Once students have enrolled at William Carey University, they may not transfer a course from a community/junior college except by special permission of the vice president of academic affairs.

## Credit by Examination

College credit may be earned by any combination of CLEP, advanced placement testing, and International Baccalaureate (IB) course scores. Total credit earned by examination may not exceed 30 hours.

AP credit is awarded at WCU for scores of three or higher; and IB scores must be at least five for consideration. Some academic departments may require higher scores. Decisions regarding

credit based on scores from International Baccalaureate courses are made on a case-by-case basis by the appropriate academic department. Information on CLEP exams may be found in the office of admissions in Lawrence Hall (601.318.6104)

## Taking Courses At Another College

William Carey students wishing to take courses at another college must obtain permission from the Office of Academic Affairs. Students should fill out and submit a letter of good standing request form. If approved, a letter will be sent to the student and the college where the student wishes to take courses stating that the student is in good standing and may transfer the courses back to William Carey University.

## Core Curriculum

Core curriculum requirements vary depending on the type of degree being earned. These courses include:

Religion 101-102	6 hours
English 101-102 (in sequence)	6 hours
Literature (ENG prefix)	3 hours
Philosophy 201/ Literature (ENG prefix)	3 hours
Communication 101 or 230	3 hours
History 101-102 or 201-202	6 hours
Courses selected from one area of the following four:	
<i>Computing, Fine Arts, Foreign Language, Natural/Physical Science</i>	6 hours
Social/Behavioral Science	6 hours
Laboratory Science	4 hours
Mathematics 131 or higher	3 hours
Fine Arts (Art, Music or Theatre Appreciation)	3 hours
Physical Education	2 hours

Service Requirement

William Carey University has a “service learning” requirement to obtain a degree. This requirement can be met in a number of ways, taking a course with a service learning component, participating in a mission trip, volunteering for Habitat for Humanity, or participating in any project or recognized “organized” group service project.

Class Attendance Requirements

Students are expected to attend class. Individual faculty members set their own attendance regulations; however, no credit may be obtained for any course in which the student has been absent for more than one-fourth of the class.

Academic Good Standing

A student who maintains a minimal grade point average as established by the university, based on hours attempted, is in good academic standing.

HOURS ATTEMPTED

0 – 14	1.50 GPA
15 – 29	1.75 GPA
30 and above	2.00 GPA

Falling Below Academic Good Standing Requirements

A student will be put on academic probation if his/her overall GPA falls below the requirement for academic good standing. Students on academic probation may not register for more than ten hours per trimester. If after one trimester on academic probation the student fails to make significant progress toward good standing and has a term GPA below 2.0, the student is subject to suspension. A student who is suspended may apply for readmission after one trimester. Students on suspension may not transfer credits earned at another institution during the suspension period back to William Carey University.

GPA Computation

To compute your GPA, divide the total number of quality points you have earned by the total number of hours you have attempted in which you earned a letter grade of A, B, C, D, or F

Example: Computing GPA

Courses	Hours Attempted	Grade/Quality Points	Quality Points Earned	Hours Earned
ENG 101	3	X B/3	= 9	3
MAT 131	3	X C/2	= 6	3
BIO 101	4	X A/4	= 16	4
PED 114	1	X F/0	= 0	0
TOTALS	11		31	10

31 quality points divided by 11 hours attempted = 2.81 GPA

Academic Advising

All new students are assigned an academic advisor in their major area of interest. The academic advisor will assist the student in designing a program of study that leads to the desired degree; however, the ultimate responsibility in the selection of courses that satisfy degree requirements rests with the student. Course placement in English and math

will be based on ACT/SAT sub-scores. Students who are accepted to the university with an ACT composite score below 20 or 950 SAT (math and verbal) will be assigned for special academic advising.

This is a brief overview of academic regulations. Please consult the Undergraduate Catalog for additional information.

# Business Office

Please refer to the catalog for questions not addressed in this information packet. The business office personnel are available to answer questions Monday-Thursday from 8 a.m. until 5 p.m. and Friday, 8 a.m. - 4:30 p.m. The Hattiesburg campus number is (601) 318-6127 or toll free 1-800-962-5991.

## Payment Options

### A. Payment in Full

Students may arrange to pay their registration bills in full at the time of registration or by the end of the day on the Thursday before the first day of the trimester to avoid any late fees. New students registering on Friday (general registration) will not be charged a late payment fee if arrangements are made by 5 p.m. We accept cash, personal or business checks, Visa, MasterCard, and Discover. Online payment is available through the student portal.

### B. Deferred Payment Plan

The college "Deferred Payment Plan" allows the flexibility of splitting your **balance due** into three payments. A \$35.00 administrative fee is assessed each trimester if one chooses to use this plan. The balance due is the amount owed after adding all tuition, fees, room, board, and any other miscellaneous fees and subtracting all pending financial aid awards for the trimester. To use this plan, one-half of the balance due must be paid prior to the first day of the trimester. All students wishing to use this plan must come by the business office prior to the start of the trimester to make an initial payment and to sign a deferred payment promissory note. See the attached schedule for payment due dates. Delinquent monthly payments will be assessed a \$15.00 late fee. ***Any student who owes a balance and does not make payment arrangements prior to the end of the first week of class will be charged a deferred payment fee plus an administrative processing fee, which will total \$50.00 in addition to the late payment fee.***

## Student Refunds

Refunds are issued on Fridays for students with credit balances beginning with Wednesday of the fifth week of the term and continuing every Friday until the end of the term. Financial aid, payments, or adjustments must be received in the Hattiesburg business office by the cut-off date to be considered for refunds the following week. You may refer to the attached schedule of dates to find the disbursement and cut-off dates for the 2014-2015 school year. Refunds for amounts under \$25.00 will be done only on request.

## Official/Unofficial Registration Status

Once a student has registered for classes, financial arrangements must be made with the business office Thursday prior to the first day of the trimester. **A student's registration status will remain unofficial until such time the student has contacted the business office and made the required minimum payment and/or has been APPROVED for enough financial aid to satisfy all costs associated with attending school for the enrolled trimester.** At the time the student has completed all financial arrangements, the business office will update the student's status to **OFFICIAL** and give him/her an official registration copy. This official copy is important because it must be presented to your professors as verification that you have completed all registration requirements. **Students who have failed to complete financial arrangements by the Thursday prior to the first day of classes will be charged a \$50.00 late fee. Students who have not made payment arrangements by the Friday of the first week of class will be charged another \$50 deferred payment/administrative fee.** New students who register on Friday, general registration day, will not be charged a late fee if they make payment arrangements by the end of the day.

**Work-Study Program**

Students participating in the university work-study program are required to turn in time cards once a month to the financial aid office. It is the responsibility of the student to make sure the supervisor turns in the time cards. Checks will be issued from the business office according to the payment schedule set by the financial aid office. Students who have chosen to include work-study as part of their financial aid packet will be expected to apply their checks towards any outstanding balance.

**Dropping Classes or Withdrawing**

A reduction of tuition and fees is calculated when a student drops classes or withdraws from school. The percentage used in the calculation will be based on the week during which the class was officially dropped. These dates and percentages can be found on the attached schedule of dates. Students withdrawing from the university after the start of classes will not receive a refund for residence hall or board fees. Deposits are returned in accordance with the agreements under which they are made.

# Campus Services

Many services are provided to WCU students at no additional charge. These services include personal counseling, local phone service, cable TV, internet, and unlimited access to laundry equipment. Below is information related to campus services:

- **Bookstore.** The campus bookstore, located in McMillan Hall, offers used and new textbooks, WCU clothing, and gifts, as well as snacks and a variety of office and school supplies. Bookstore hours are 7:45 a.m. to 6:00 p.m., Monday through Friday. Visit [www.wmcarey.bkstore.com](http://www.wmcarey.bkstore.com) for further information.
- **Cafeteria.** The cafeteria serves three meals a day except for Sunday breakfast. Ten, fourteen, and twenty meal plans are available. Each meal offers a choice of three entrees (including one vegetarian dish), four vegetables, two starches, a salad bar, specialty bar, deli bar, and dessert bar. Cafeteria hours are:

Day(s)	Breakfast	Continental Breakfast	Lunch	Dinner
Monday-Friday	7:30-9:00	9:00-9:30	11:00-1:30	4:30-7:00
Saturday		9:00-10:00	12:00-1:30	4:30-6:30
Sunday			12:00-1:30	4:30-6:30

- **Common Grounds Coffee House.** Common Grounds is located between Crawford and Lawrence Halls. It provides specialty coffees, soft drinks, light snacks, and sandwich items. Common Grounds is a student-run establishment. Hours of operation are Monday-Thursday from 8:00am-11pm and Friday 8am-6pm.
- **Counseling.** Personal counseling services are available at no charge for enrolled students. Contact the Office of Student Support (ext. 6188) to make an appointment with a licensed mental health professional.
- **Health Services** Hattiesburg, a major medical center, is well equipped with two excellent hospitals and several emergency outpatient treatment centers. Students are responsible for the financial obligations resulting from such medical services. Information about local health services, locations, and fees is available in the Student Support office. For more information call 318-6779.
- **ID Cards.** Every student should obtain an identification card from the student life office, 125 Lawrence Hall. Students must present a copy of their current financial statement/class schedule in order to be issued an ID card. Students use the card for admission to school-sponsored activities, as a voting permit during student body elections, and for cafeteria and library privileges. One card is issued for the duration of the student's enrollment. A fee of \$10.00 is charged for the replacement of the ID if lost.

All residential buildings and some academic buildings require a proximity ID card for entrance into the building. Students with classes in these locations and those who reside on campus will be issued an ID card which allows access into the respective building.

The student life office extends its hours during the first week of each trimester to allow students more time to obtain their ID cards. The extended hours are Monday-Thursday 8:00am-6:00pm.

- **Long Distance Service.** Students must use pre-paid calling cards in order to place long distance calls from residential land line phones. Braswell and Byrd Halls do not allow for land line phones in individual rooms; however they are available in all other residential facilities per student request. See Housing.
- **Mail.** Mailboxes are assigned in the campus post office. NEVER send cash through the mail. All incoming mail should be addressed as follows:

Student Name  
William Carey University  
WCU Box \_\_\_\_  
498 Tuscan Avenue  
Hattiesburg, MS 39401

- **Parking.** All William Carey students must register their motor vehicle with the student life office in Lawrence Hall, room 125. In order to register your vehicle with the university, you must bring your motor vehicle license plate number to the student life office. Students may also utilize their online Indigo Portal to register vehicle and receive decal via mail. Students are issued sticker decals which must be displayed via the lower left hand side of the front windshield. Vehicles parked on campus without current decals, or in a restricted area, will be ticketed. There is a \$5.00 fee for replacement and additional decals.
- **Security, Safety, and Crime Prevention.** Personal safety and security should not be taken for granted in any environment. At night, stay in well-lighted areas. Be alert and aware of your surroundings. Always lock your room when you leave, and insist that your roommate do the same. Valuable items (jewelry, electronics, expensive clothes, etc.) should be removed from dorm rooms during holiday periods. Do not keep large amounts of cash in your room. Campus security officers are available 24 hours a day at 601-318-6300 to provide escorts or for emergencies.
- **Special Needs.** Special housing is available for students who need accommodations due to disability. Academic services are also available to assist students in class. Anyone with special medical, learning, or accommodation needs should contact Student Support Services at 318-6208.

**For more information on campus services contact:**

Valerie Bridgeforth, Dean of Student Services, Lawrence Hall, 601-318-6188

# Financial Aid

- **Apply Early.** The Free Application for Federal Student Aid (FAFSA) can be filed after January 1<sup>st</sup> at [www.fafsa.gov](http://www.fafsa.gov). The federal code for WCU is 002447. This MUST BE done each year in order to receive any type of federal aid including work study and student loans. Please remember, your FEDERAL income taxes must be completed in order to fill out the FAFSA. Students will need to obtain a PIN # in order to electronically sign the FAFSA. Dependent students will also need to obtain a PIN # for at least one parent. This can be done at [www.pin.ed.gov](http://www.pin.ed.gov).
- **Scholarships.** Incoming NEW **undergraduate** students (who are working on their first bachelor's degree) need to complete the WCU scholarship application. This can be obtained in the office of admissions, office of financial aid, or on the WCU website.
- **Other Aid.** William Carey University participates in all federal financial aid programs which include:
  - Federal Perkins Loan
  - Federal Pell Grant
  - Federal Supplemental Educational Opportunity Grant (SEOG)
  - Federal Work Study
  - Federal Stafford Loans
  - Federal Teach Grant

WCU also participates in all state financial aid programs that are awarded to private institutions which can be applied for at [www.mississippi.edu/financialaid/](http://www.mississippi.edu/financialaid/). State aid is available for Mississippi residents only. The requirement for each program is listed on this website. The deadline for application for all state programs is March 31<sup>st</sup> with the exception of MESG and MTAG.

## State aid programs include (but not limited to):

- Mississippi Tuition Assistance Grant (MTAG)
  - Mississippi Eminent Scholar Grant (MESG)
  - William Winter Teacher Scholarship/Loan Program
  - Critical Needs Teacher Scholarship/Loan Program
  - Nursing Educational Scholarship/Loan Program
  - Higher Education Legislative Plan for Needy Students (HELP)
- **Admissions** In order to receive financial aid, you must apply for admission to the university as a degree-seeking student. You must be complete in the office of admissions in order to apply for work study or a student loan.

## Other information that may be helpful to students regarding financial aid:

1. Nine (9) hours is considered full time at WCU including the summer trimester.
2. You must be full time in order to be granted scholarships and most state financial aid.
3. You must be at least half time (5 hours undergraduate/3 hours graduate) in order to receive student loans.

### For more information contact:

# Library

## About WCU Libraries

The mission of the William Carey University libraries is to provide a learning environment that meets the information needs of the university's students, faculty, and staff. This mission is accomplished through the provision of information resources and services that support the teaching, learning, research, and service needs of the university community. Three library facilities are available to serve WCU students. The Smith/Rouse Library is located on the Hattiesburg campus, and there are branch libraries at the Tradition and New Orleans campus.

## LIBRARY FAQ'S

---

### How do I check out books?

You can use the "Library Catalog" on the WCU Library's webpage to find the book that you want on the library shelves. Bring it to the circulation desk along with your WCU ID card. Students can check out books for 3 weeks. The WCU Library also has many electronic books, and these will have a link to the book in the library catalog record. Just click on the link to get to the online text.

### Do I have to bring my book in to renew it?

No, you can renew your book online by going to the library's webpage <http://library.wmcarey.edu/> and clicking on "Renew Library Materials." Follow the directions on the screen to renew your book. You will not be allowed to renew the book if someone else has requested it.

### How can I get a book that is located at another WCU campus library?

You can get a book from another campus by contacting your campus library and providing the title, author, and call number. If you are on the Hattiesburg campus, email [askalibrarian@wmcarey.edu](mailto:askalibrarian@wmcarey.edu); for Tradition, email [pgossage@wmcarey.edu](mailto:pgossage@wmcarey.edu), and for New Orleans, email [jlandrum@wmcarey.edu](mailto:jlandrum@wmcarey.edu). You will be contacted when the book arrives at your campus library.

### What do I do if the book or article I need is not owned by the WCU libraries?

You can get a book or an article from a non-WCU library by using our interlibrary loan form. On the WCU library webpage <http://library.wmcarey.edu> click on "Interlibrary Loan," and fill out the form. The WCU Library does not charge for interlibrary loans; however, sometimes there are charges from the loaning library. We will contact you if this happens so you can decide if you want us to order the book or article.

### I have to get some articles and books for a paper. How do I get started?

On the WCU library webpage <http://library.wmcarey.edu> there are some excellent databases and online materials under "Electronic Resources." You will be able to find just the right database in your subject area. Many of the databases have links to full text online articles and electronic books. The "Library Catalog" link on the library's webpage takes you to an online catalog of books that the library owns. You can search the catalog by author, title, keyword, or subject and find books on your subject. Write down the call number and ask a library staff member for help finding the book on the shelves at your campus library.

# Library continued...

## **I'm still not sure if I'm doing this right.**

Stop by your campus library and ask for some help from a library staff member. If you tell them about your paper/speech/project, they will show you how to find the information you need. You can also email [askalibrarian@wmcarey.edu](mailto:askalibrarian@wmcarey.edu) to ask a question about the library.

## **I have to create a bibliography and footnotes, and my paper is due tomorrow. Help!**

All WCU libraries have a variety of citation style guides that can show you how to cite your references and how to create bibliographies. If you can't get to the library, click on "Style Guides" on the library's webpage under the heading "Help." There you will find some online guides to footnotes and bibliographies

## **My professor said that he has put some material on Reserve. What does this mean?**

This means he has asked that we hold some materials for your class and check them out to students for a limited time only. This gives everyone in the class a chance to use the materials. You can see what your professor has on reserve for your class by clicking on the "Library Catalog" on the library's webpage, and you can choose to search by the class name or the professor's name. Reserve materials are available at the circulation desk at each library.

## **I have some overdue books. What is this going to cost me?**

Overdue fines are 25 cents per day per book for 3 week checkout books. Reserve book fines are 25 cents per hour per book. Overdue interlibrary loan fines are \$1.00 per day per book. For lost books, the charge is for any overdue charges that have accumulated plus the replacement cost of the book plus a \$25.00 processing fee. An overdue courtesy notice will be emailed to you immediately after the book becomes overdue, so be sure that we have your preferred email address on file in the library.

## **Does the library have computers that I can use?**

Yes, each library has computers available for your use, with access to the Internet as well as to word processing, spreadsheet, and presentation software.

## **Can I print from library computers?**

Yes, each library has printers and photocopiers. Check with your campus library for policies and charges for printing and photocopying.

## **Can I login to WCU Libraries databases from my dorm room or from home?**

Yes, if you are connected to the WCU campus network, you will not have to enter a user name and password to get to library databases. If you are at home or at another location outside the WCU campus network, you will be prompted for a user name and password. You should use your WCU email address and password

## **When is the library open?**

Check the "Hours" link on the library's webpage to see the hours for the library on your campus. The "Hours" page on the website lists the regular hours, which are for fall, winter, and spring trimesters. The "Exceptions" link for each library lists summer hours and special hours for trimester breaks and holidays.

# Majors and Minors

Academic majors have a maximum of 42 semester hours except those affected by accreditation standards (i.e. education, music, and nursing) or professional competency expectations (i.e. art, business, theatre). A minor, from an academic department in the college, is required of all students with majors of forty-two semester hours or less. The major and the minor may not be in the same subject. The following areas of study are available at William Carey University.

# HOW TO CHOOSE A MAJOR

---

Choosing a major field of study requires plenty of thought, research, and advice. If you are undecided (or “undeclared”) about your major, you might consider the following factors in making a decision.

- ***Get to Know Yourself.*** What skills, abilities, or talents do you possess? What are your interests? Activities? Values? Ask your advisor for more information or for a career counseling appointment, contact Career Services at 601-318-6209.
- ***Seek Advice.*** Talk with your parents, friends, academic and personal counselors, and professors in the field.
- ***Research Your Area of Interest.*** Utilize local, campus, and career libraries. Some areas of future career possibilities may seem narrow at first glance, but actually allow for a variety depending on your interests or specializations.
- ***Use Your Electives.*** Some academic courses afford the undeclared student an opportunity for additional insight needed to evaluate a possible career focus.
- ***Think About Your Future in Practical Terms.*** Is there a career, which will keep you happy 8-10 hours a day, 5-6 days a week? Can you imagine a fulfilling career, which might provide personal as well as financial rewards? If so, what are the educational requirements?
- ***Visit Career Services.*** Career services may be accessed online. Resources include a computer assisted career interest inventory called O’NET that can help you identify your strengths and interests. Career services also provides assistance in preparing resumes and information on how to locate both part-time and full-time employment. Students can access job listings on the Hattiesburg campus in Lawrence Hall or through their Indigo Portal account.

# Registration

## Registration Procedure

- Students should make an appointment to meet with their advisors prior to registering. This meeting should take place during the registration dates.
- Students should meet with their advisor at the appointed time to complete class selection and the registration form. Both the student and the advisor must sign the registration form.
- Students take their registration form to the office of their dean/director for course entry into CAMS and to pick up payment information sheet.
- Students with administrative holds on their accounts will not be allowed to register until all holds have been cleared.
- Students will go to the business office for a printout of courses and to make financial arrangements for fee payment.

Continuing students who fail to meet with their advisor and pre-register during the early registration periods will be charged a \$50.00 late registration fee. The following dates have been scheduled for advising and early registration for the 2014-2015 year:

Fall 2014 .....	April 14-25
Winter/Spring 2014 .....	October 6-17
Spring 2015 .....	January 20-30
Summer/Fall 2015 .....	April 13-24

## Classification

Students are classified as follows:

Freshman .....	0-29 hours
Sophomore .....	30-59 hours
Junior .....	60-89 hours
Senior .....	90+ hours

## Transcript Requests

Unofficial transcripts can be accessed from the student's Indigo portal. An official transcript is one bearing the signature of the registrar and the seal of the university and is mailed directly or sent by e-script electronically to whatever official may be designated. (Official transcripts are issued by the Hattiesburg registrar's office.) Transcripts will not be issued for students who have holds on their records. There is a \$5.00 fee per transcript issued.

## Course Loads and Full-time Status

The maximum course load in a trimester is 12 semester hours. Students on the Dean's List (GPA 3.5 or higher) may take a maximum of 15 semester hours. The dean of the student's major must approve exceptions. No student may take more than 15 hours during any trimester from any combination of courses.

A full-time student is one taking a minimum of nine semester hours during a trimester. A half-time

student is one taking a minimum of five semester hours but less than nine during a trimester. The maximum amount of work that may be earned in one five-week summer term is 7 hours. Loads for the mini-term and specially scheduled courses vary with the length of the courses.

## Attendance Regulations

Students are expected to attend classes. Excessive absences may seriously affect the work of the whole class as well as that of the individual students who are absent. Individual faculty members set their own attendance regulations for their classes and inform their students of them; however, students must attend a minimum of 75% of the class meetings in order to receive credit for the course. The total number of absences of each student shall be reported for each class by each faculty member at the time of filing trimester grade rosters.

## Correspondence or Audit Credit

Correspondence credit will not be accepted in the department of the student's major unless it is in addition to the minimum credit required for the major. All correspondence credit must be approved by the dean/director of the major department and must carry a grade of at least "C." The registrar must receive transcripts for correspondence credit two weeks prior to graduation to meet graduation requirements. Only six semester hours may be taken by correspondence.

Students may audit a course but are expected to attend class regularly and meet other requirements prescribed by the instructor. The credit option (audit to credit or credit to audit) may not be changed after the deadline for adding courses for credit. The fee for auditing is one-half regular tuition.

## Dropping/Adding Courses

A student must speak with his/her academic advisor to make any change to a schedule and then must process a change of registration form. No student may register for a course after 10% (one week of a regular ten-week trimester) of class meetings has occurred.

Courses dropped within the first three weeks will be recorded as a "W" (withdrawn). Courses dropped after these dates and before the middle of the trimester are recorded as "WP" (withdrawn passing) or "WF" (withdrawn failing), and courses dropped after midterm will be given a grade of "F." Courses offered in the mini-term or with a special schedule will have drop/add dates proportionate to the class length.

A fee of \$75.00 will be charged to process a change of schedule when the total number of hours is reduced. No fee will be charged when additional hours are added, or if the drop/add results in the total number of hours remaining the same.

## Withdrawing from WCU

All students who desire to withdraw from the university must file a completed request form and obtain all appropriate signatures requested on the form. Residential students must also obtain permission from the vice president for student services. Refunds upon withdrawal will be made only on condition that official permission has been granted. See your academic advisor and refer to the WCU catalog for procedural details. Students failing to properly withdraw from the university will receive appropriate grades for all course work.

# Residence Life and Housing

Campus living areas are designed to support the educational mission of the university by providing convenient, comfortable, and affordable residences in a living-and-learning environment. Through programs and activities, residents find opportunities for learning, service, leadership, and personal development.

All full-time undergraduate students on the Hattiesburg campus are required to live on campus and participate in a university meal plan unless they meet one of the following criteria: age 21, commute from home of parents (50 mile radius), are married or have children. Resident hall students who turn 21 before the start of the trimester in which he/she wishes to live off campus, have senior classification and are in good standing with the university may apply to live off campus. Any unmarried student under age 21 living off-campus without official approval will be required to pay full room and board charges for the trimester in which the violation occurs. Students who are on scholarship and either choose to move off campus or are required to move off campus for disciplinary reasons, will have financial aid reduction.

Detailed information regarding residence life and housing can be found in *The Red Book*. Questions are frequently asked about the following:

- ***Alcohol and Other Drugs (including prescription drugs)***. In keeping with the university's commitment to remaining a "drug-free campus," the possession or consumption of alcohol and other drugs is prohibited. Students in violation of this policy will face disciplinary action. The aroma of alcohol on a person or other signs of intoxication will serve as evidence of consumption, including the presence of empty cans, bottles, etc.
- ***Tobacco***. The use of tobacco is not permitted on university premises.
- ***Animals/Pets***. No animals are allowed in residence halls. Only tropical fish or goldfish in a small tank (ten gallons or less) are allowed in residence halls.
- ***Appliances***. Any appliance with an exposed heating element is prohibited in the residence halls. Most other small appliances are acceptable. For example:  
**Acceptable** – Small refrigerator (3 cu ft max), microwave, coffee maker, or hair dryer  
**Unacceptable** – Halogen lamps, hot plate, toaster, toaster oven, or heater  
**(For a list of acceptable items to bring, refer to page 24.)**
- ***Check In/Room Keys***. Check-in to rooms begins at 9 a.m. on the Friday before classes begin. Keys are distributed in the building where the room is located. The cost of replacing a lost key will include the cost of changing the door lock (\$50.00).
- ***Cleaning***. Each person is responsible for cleaning his/her own room. All trash must be taken out of the building on a regular basis (for some, this means daily!). RAs conduct weekly room checks.
- ***Computers***. If you bring your own computer, bring a surge protector. Set specific guidelines for use of your computer if you plan to share it with other students. Computers (as well as other valuables and expensive electronics) should be taken home over holiday periods. The residence halls are set for wireless computer access only. You will need a wireless USB adapter to connect to the wireless network if your computer does not have built in wireless support. Most laptops are wireless-ready; desktop models may need additional hardware.
- ***Emergencies***. Residence life staff members are trained in emergency response. Parents/guardians will be notified by the university in the event of an emergency or serious illness or injury. Campus security is on site 24 hours a day, 365 days a year.
- ***Guests***. Residents may host visitors age 15 and older (including family members) for three nights per trimester. Visitors must pay \$10 per night to stay on campus. Visitor

registration after 5 p.m. is \$15 per night. Non-registered guests must leave campus by midnight. Visitors under age 15 are not allowed to enter residence halls at any time.

- **Guns, Knives, Fireworks, and Weapons.** Guns, bows, arrows, knives, blades, explosives, fireworks, and weapons are strictly prohibited.
- **Hall Directors.** Each residence hall has a director. This person lives in the building and is responsible for all operations of the facility.
- **Holidays/Breaks.** The university closes for major holidays each year; however, the residence halls remain open. It is required that students planning to remain on campus for times when the university is closed request housing one week prior to the start of the respective break. These include: Thanksgiving Break, Christmas holidays, and Spring Break. The cafeteria will close during these breaks unless otherwise posted. Proper documentation must be completed in the housing office in order for a student to gain clearance to stay on campus when the university is closed.
- **Housing and Residence Life Office.** Located in Lawrence Hall, Room 129, this office serves as "central headquarters" for all information related to housing and residence life (601-318-6102).
- **Insurance.** All residents are strongly advised to purchase renter's insurance to cover loss or damage to personal property. It is strongly advised that students have health insurance. You should know the company name, policy number, coverage, and telephone number. All international students are required to have major medical coverage.
- **Linens.** WCU does not provide sheets, pillows, or towels. Beds in all residence halls except Ross require XL, twin-size linens (80" long X 36" wide).
- **Maintenance.** Contact your RA immediately or call 601-318-6102 if repairs are needed in your room or building.
- **RAs.** (Residents Assistants). RAs are student members of the residence life staff. At least one RA is assigned to each floor. RAs

provide peer advising, information, and leadership for residents of each floor.

- **Security.** Campus security is on site 24 hours a day Monday through Friday and 24 hours a day on weekends and holidays. Security can be reached at 601-318-6300.
- **Picture/Posters.** If you plan to bring posters/pictures, they must be in a poster frame/picture frame. In Johnson Apartments, Ross Hall, Byrd Hall, Braswell Hall, Davis, and Penton, Command strips with damage free tabs must be used to hang items on the walls. In Bass, Bryant, and Polk Halls anchors in the cinderblock wall will be provided (anchors will be installed by facilities and placed in standard locations in each room upon request). **Please do not hang items with any kind of putty, screws, or Hercules Hooks. You will be charged for refinishing the wall upon check-out.**
- **Phones.** Byrd and Braswell Halls do not have the option for telephones to be placed in the room. Only Bass/Ross/Polk/Bryant and Johnson Hall are equipped with landline telephones. If you would like a phone in your room, request must be made through your resident director or the housing office. The phone activation process requires 5-7 business days for service to be granted in individual Residence Hall rooms. A \$50 fee will be accessed to your student account if you wish to have an active land line phone in your room.

Meals may be carried out for students who are ill. Permission must be granted by the student's resident director (RD) or the director of housing. If a student wishes to change his/her meal plan during the academic year, he/she may contact the housing office. Changes will only be accepted during the first week of each term; any changes made after that will go into effect for the following term.

# Spiritual Life

## Carey BSU (Baptist Student Union)

We are CareyBSU, a William Carey University ministry endeavoring to impact our campus, community and world through radical love of Christ. We strive to reach students with the gospel of Christ, to grow faithful disciples, and to develop servant-leaders while experiencing community, missions and ministry on and off our campus.

What is BSU? It's a place to belong. CareyBSU is more than a ministry; we are a home away from home! Our offices are in Crawford hall, a redbrick with white siding house located near the center of campus next to Wilkes dining hall. You'll find that we're all about relationships and community. We love meeting students and getting them involved in all God is doing.

It's a place to serve. Through our partnership with local apartment complexes, Carey students are able to tutor and build relationships with elementary school children several times each week. For those interested in serving nationally and internationally, CareyBSU offers mission opportunities throughout the school year and summer.

CareyBSU sponsors three weekly events: campusLINK, PriorityLUNCH, and Prayer Breakfast.

**CampusLINK** is an on-campus worship service where students break away from the worries of college life and draw near to God. Worship is led by the BSU praise band and begins at 7:45 p.m. on Monday nights.

**PriorityLUNCH** is a FREE lunch for students on Tuesdays at 12:00 p.m. This is a time for "spiritual and physical nourishment" and for connecting and building relationships with people that we may not see on a daily basis.

**Prayer BREAKFAST** is a time to re-center our minds and hearts on Christ through meditation and prayer. It takes place on Friday mornings in the BSU house at 9:25 a.m.

**In addition to its weekly programs, the Hattiesburg BSU will sponsor the following activities during the 2014-2015 school year:**

- Apartment Ministry Block Party - August 23
- BSU Fall Retreat - September 5-6
- College Student Conference - September 26-27
- Fall Missions Dinner - October 9
- Global Opportunities Week - October 13-17
- International Food Fair - October 16
- hubSERVE Community Service - November 15 and February 28
- Christmas in China December 20- January 3
- Spring Missions Banquet - TBA
- Leadership Training Conference - March 27-28
- End of Year Bash - April 27

## Weekly Events

**CampusLINK** - Every Monday beginning August 25 at 7:45 p.m. in the Student Conference Center.

**PriorityLUNCH** - Every Tuesday beginning August 26 from 12:00 p.m. - 12:45 p.m. in the Student Conference Center.

**Prayer Breakfast** - Every Friday beginning August 29 from 9:25 a.m.-10:00 a.m.

For updated information and scheduled activities throughout the year, call 601.318.6161 or visit [www.careybsu.org](http://www.careybsu.org):

Shane Thrash, Asst. BSU Director: [sthrash@wmcarey.edu](mailto:sthrash@wmcarey.edu)

## Chapel

The purpose of chapel is to provide through the regular assembly of the entire university family an opportunity for worship and inspiration, for learning in inspirational context, and for the creation of community. This will contribute to spiritual development of the student as a significant part of preparation for meaningful life. With certain exceptions, all undergraduate students on the Hattiesburg campus are required to attend. Request for exemptions from chapel requirement may be made by completing an exception request form, which is available in the Department of Biblical Studies, Room 112 of Lawrence Hall.

# Student Activities

The more involved you are in college, the more likely you are to succeed in college. The student activities office is designed to coordinate campus programming and be a resource for you to utilize if you want to get involved on campus. For more information, please call Emily Sheckells, the director of student activities, at 601-318-6444.

## Student Activities Fair

Be sure to stop by Missions Plaza from 11:00 a.m. to 1 p.m. on Thursday, September 4 to check out booths set up by Carey student organizations. This will be a chance for you to talk with students representing the different organizations and sign up to get involved in a variety of on-campus and off-campus activities.

## Rush Week

Pi Omega, and Gamma Chi will be hosting Fall Rush from **Friday, September 12–Friday, September 19**. Any female or male interested in Fall Rush should pick up an application in the Student Activities office located in the Student Center. You can get your Rush application from the Student Activities office starting **August 26th**.

Gamma Chi President, Kendal Banks  
Pi Omega President, Brooke Morgan

## Cheerleading

Carey's own co-ed cheerleading squad is looking for spirited men and women to support the 'Saders! Tryout workshops and tryouts will be held in April. Contact the Student Activities Director, Emily Sheckells at 601-318-6444.

## Intramurals

Currently many different intramural sports and activities are offered at Carey: dodgeball, ultimate frisbee, flag football, tennis, soccer, basketball, volleyball, kickball, pool tournaments, ping pong tournaments, and bowling nights. If you are interested in these sports or activities, sign up at the activities fair and/or come by the intramural office located in the student center. All information can be found at [www.wmcarey.edu](http://www.wmcarey.edu) or call the intramural coordinator, Darryn Cook-Kelly, at 601-318-6443.

## Student Government Association

The SGA will be looking for a few good men and women to fill freshman, international, and commuter positions. Attend the activities fair on September 6th for more information. Elections will be held during the fall trimester.

Lydia Ulrich, President  
Austin Farmer, Vice President  
Sean Laird, Entertainment Commissioner

## Yearbook

Have you ever wanted to be part of a yearbook staff? Sign up to be part of the *Crusader* yearbook staff at the activities fair on September 5 or contact Marilyn Ellzey at 601-318-6220

## Newspaper

The William Carey *Cobbler* is an award winning student publication produced six times a year. Several positions are available from beginner to experienced journalist. Be a part of this prestigious newspaper. Contact the Cobbler at 601-318-6767.

## Common Grounds

Come drink a Chiller Shake and soak in the sun on our deck, or eat a sandwich and listen to live music on our stage. Carey's own on-campus coffeehouse is open Monday through Friday, 8:00 a.m. until 11:00 p.m. It is located between Crawford Hall (BSU) and Lawrence Hall.

## Student Centers

Need somewhere to hang out between classes? Our newly renovated student center is the place to go. Enjoy a workout or play pool with your friends. This facility is open daily from 6:00 a.m. - 11:00 p.m. Monday-Friday. Saturday 12 noon-11:00 p.m., and Sunday 12 noon-11 p.m. Times may vary during holidays.

***The student activities, student government, and intramural offices are located in the student center. Please drop by or call (601-318-6444) anytime!***

# Student Support Services

Student Support Services (SSS) provides a multitude of academic support services for William Carey students. These services include academic advising, peer tutoring, assisting disabled students, and peer mentoring, all of which are free of charge. In addition to academic support, the staff of SSS provides personal counseling, financial aid counseling and referrals to outside agencies and services as well as career counseling. If at any time you are in need of assistance or guidance, don't hesitate to contact the staff of Student Support Services. Please find below a summary of some of the services Student Support Services offers.

- **Peer Mentoring**—This program matches freshmen students to current students who have already enjoyed academic and social success in college. Mentors help to steer students through the orientation process, connect them with other students, and remain available throughout the year as guides and sources of information.
- **Tutoring Program**—The tutoring program serves all William Carey students. This service, offered free of charge, is a flexible and effective way to receive assistance from trained peer tutors in a wide variety of academic areas. Students seeking help should fill out a "Tutor Request Form" and contact the academic coordinator in room 135 of Lawrence Hall.
- **Academic Advising of Undeclared Majors**—Student Support Services employs a computer based interest inventory, to help students discover and explore new interests. While determining a major/career, we advise students into various courses of study that will provide focus and fulfill requirements toward a degree and career.
- **Advising Probation Students**—SSS advises students who have either been placed on academic probation due to insufficient grade point average or entered William Carey on academic probation. The staff recommends specific courses of action such as tutoring, note-taking skills, and improving organization and time management skills.
- **Learning Lab**—The Office of Student Support Services houses a lab with computers that provide Internet access, word processing and other capabilities. The lab is located in Lawrence Hall, room 131, and is open Monday-Thursday from 8:00 a.m. until 4:55 p.m. and Friday from 8:00 am - 4:00 pm.
- **Free Workshops**—Each trimester, Student Support Services offers free workshops to students. These workshops are geared to assist students in their transition to college life, time management, study skills, financial management and employability skills workshops.
- **Services to Physically Challenged and Learning Disabled Students**—Our office works with students who are confronted with various physical impediments and learning disabilities to afford them the assistance they require for academic success. The department works with professors to provide accommodations for students.
- **Career Counseling**—SSS working cooperatively with the office of Career Services, encourages student growth and career development as part of the educational experience and offers free resources and expertise to students in matching their areas of interest and study with careers.

## STUDY SKILLS AND SUCCESS TIPS

---

1. Keep a positive attitude.
2. Go to class.
3. Ask questions and participate in class.
4. Be willing to work with others, including your professors.
5. Sit toward the front of the classroom; it is easier to listen.
6. Take good class notes and rewrite them as you study outside of class.
7. Understand the concepts in class; don't just memorize the notes.
8. Study in increments rather than cramming for tests.
9. Practice time management; don't procrastinate.
10. Use a calendar; The Redbook has one!
11. Use the campus support services available to you—like the ones listed in this book.
12. Learn to adjust to your professors and their styles of teaching.
13. Buy a good alarm clock—one that runs on batteries.
14. Get to know your academic advisor.
15. Get a good dictionary.
16. Seek out a tutor from S.S.S. before or by **mid-term** if help is needed.

## ADDITIONAL SUCCESS TIPS

---

- Be responsible for your own actions.
- Get involved in campus and/or community activities.
- Learn to function independently.
- Read the student handbook—The Redbook.
- Believe in yourself.
- Keep a positive attitude.
- Learn and practice good study habits.
- Get to know people in your classes—you never know when you'll need a study partner.
- Strive to maintain a healthy body.
- Find out where the health center is; chances are you'll visit it during the year.
- Keep a college catalog for handy reference.
- Memorize your social security number.
- Sleep, but not when you're in class.

# WHAT MATH SHOULD I TAKE?

---

## What are the requirements?

All students are required to satisfy a mathematic requirement as part of the core. For all degrees except the B.G.S., this means the completion of college algebra or a higher-level mathematics course. Students not prepared to begin with college algebra must take MAT 100 OR MAT 121 first. See the descriptions below. Students transferring credit from another college or receiving credit from CLEP or AP examinations may be exempt from the mathematics requirements. See your advisor in this case.

---

### MAT 100-Elementary Mathematics

A course that is designed to provide basic skills in arithmetic, algebra, and geometry. Topics include:

1. Arithmetic-whole number, signed numbers, fractions, decimals, exponents, and percents; Mixed number and improper fractions; grouping and order of operations.
2. Percents-whole and decimal form; conversions between decimals; percents and fractions.
3. Ration and proportion.
4. Areas, volumes, and perimeters, rounding scientific notation.
5. Units of measurements and conversions.
6. Beginning algebra and formulas.

*This class meets five times a week and may not be used to satisfy core curriculum requirements.*

---

### MAT 121-Intermediate Algebra

A course that treats beginning and intermediate topics in algebra

1. Sets-unions, intersections, complements.
2. Number properties-associativity, commutativity, distributivity.
3. Variables and expressions-terms, factors, evaluation of expressions.
4. Polynomial-degree, arithmetic operations on polynomials, factoring
5. Solving linear equations and inequalities.
6. Solving quadratic and higher degree polynomial equations by factoring.
7. Algebraic expressions-arithmetic on algebraic expressions, canceling and simplification.
8. The Cartesian coordinate system-graphing equations, solving equations by graphing.
9. Radical expressions, negative exponents, and fractional exponents.

*Students entering MAT 121 should have at least one unit of high school algebra and an ACT math score of at least 15. Students must be familiar with topics covered in MAT 100.*

---

## MAT 131 College Algebra

A course that treats some intermediate and some advanced topics in algebra. Topics include:

1. Solving equations-equations in linear form, quadratic equations by completing the square and by quadratic formula, absolute value formula, absolute value equations, and exponential equations
2. Solving inequalities-absolute value inequalities, rational inequalities, quadratic inequalities
3. Complex numbers
4. Analytical geometry-distance between two points, midpoint formula, the Pythagorean theorem, slope of a line, parallel and perpendicular lines, point-slope-intercept forms of a linear equation, parabolas, circles, hyperbolas, and ellipses
5. Relation and function-domains and ranges, combinations of functions, inverse functions, evaluations of functions, absolute value functions, variation, exponential and logarithmic functions

*Students entering MAT 131 should have at least two units of high school algebra and an ACT math subscore of at least 20. Students should be familiar with topics covered in MAT 121.*

---

## MAT 150 Precalculus

A modified study of polynomial, rational, exponential logarithmic, trigonometric, and two-variable functions. Emphasis is on analyzing and graphing these functions using analytic methods as well as the use of graphing calculators. This course should be taken by students who need calculus for their major area of study.

*Students enrolling in MAT 150 should have two units of high school algebra and one unit of Geometry or MAT 131. An ACT math sub score of 25 or better is recommended.*

Talk to your advisor.

Most students will be placed in a math class based on high school records and ACT scores. However, please take note of the topics you are expected to know before enrolling in a class. If you have questions, discuss them with your advisor or a representative of the mathematics department.

# Student Technology Guide

## Welcome to William Carey University!

During your time at WCU you will use a variety of technology resources to complete your studies. We would like to take some time to help you get acquainted with accessing those resources.

We provide students with a single set of credentials used for all of our IT resources. Those credentials include the following:

- Student ID Number
- Username
- Password
- E-Mail Address

These credentials will be used to access all resources supported by the IT Department including, but not limited to: CareyAir Wireless, D2L, E-Mail, Indigo Portal, Library Database Resources, and WEPA Printing Services.

**If you have not set up your WCU account, please go to <http://indigo.wmcarey.edu/> account to do so now! You will not be able to gain access to any of our resources without setting up this account first.**

We have set up an IT website devoted to providing more information to future and current students, staff, faculty, and administration. We hope that you will find this site helpful during your time at WCU. The website is available here: <http://www.wmcarey.edu/it>. Please review the current Student Technology Guide at <http://indigo.wmcarey.edu/help/guide> thoroughly to ensure that you understand each and every service currently provided by the IT Department at WCU.

Any time that you need assistance from the IT Department, please go to <http://indigo.wmcarey.edu/help> to open a support ticket. This method will ensure that your issue is handled by the proper person and as quickly as possible. We hope that you enjoy your time at William Carey, and we are here to help when technology problems arise.

God bless you!

## WCU IT Team

- Jeffrey Andrews, Director
- Derek Belk, Computer & Network Technician
- Brantley Fryfogle, Coordinator of Network and Infrastructure Services
- Regina Knight, Coordinator of Asset Management and Special Projects
- Monte Michini, Programmer / Analyst
- Lloyd Thompson, Help Desk Technician for COM
- Sam Williams, CAMS Manager / Database Administrator

## Explanation of Student Accounts

William Carey University provides students with a user account for accessing the technology resources provided by the university. The following chapter will explain this account and exactly what can be accessed with the account. Please note that you must use the credentials exactly as they are explained for your account.

---

### IMPORTANT NOTICE

***Student records and your WCU account may be modified to accommodate names changes. In the event of a name change by a student and a request for a username change, the student's email address will be deleted and a new email address created. This will result in the loss of all mail saved in the previous account. Username changes will not result in a loss of Indigo Portal or D2L data.***

---

### Your WCU Account (Chapter 2)

Your WCU account provides access to a number of resources that you will use during your time at William Carey University, WCU. This account provides access to the Indigo Portal, Library Database Resources, the CareyAir wireless network, D2L – eLearning, and student e-mail.

### Indigo Portal (Chapter 3)

The Indigo Portal contains vital information and provides necessary services for the student. This portal provides access to a personal calendar which is editable by the student, a student directory of current students, job listings, course offerings, online registration, unofficial transcripts, schedules, billing information, financial aid information, grades and more.

### Library Database Resources (Chapter 4)

The William Carey University Library system provides access to a wide variety of journal databases. These databases are accessible through the WCU Library's website. A few databases include Academic Search Premier, Biblical Archeology Society Online, ERIC, JSTOR, Medline Full-Text, Naxos, PsycINFO, and many more.

### CareyAir Wireless Network (Chapter 5)

CareyAir is a secure university-wide wireless network accessible to students, faculty, and staff at WCU. This wireless network provides internet and local network access to staff and faculty. It also provides internet access to students. CareyAir is available on the Hattiesburg, New Orleans, and Tradition campuses.

### Desire2Learn – D2L – eLearning (Chapter 6)

William Carey University uses Desire2Learn for online enrichment of traditional courses and for online courses. Desire2Learn, D2L, provides students with quick access to their courses; this includes content, assignments, discussions, and more. Please login to your D2L account as soon as possible to ensure that you are receiving necessary course information.

## Student Email Account (Chapter 7)

William Carey University provides an email address to all students who attend William Carey University. This account is very important to you. The university will provide information to students primarily through this email address. It is very important that you access this email address as quickly as possible and often. Your email address is provided through SaderApps powered by Google. This is very similar to a Gmail account, but is associated with William Carey University through the use of the domain name student.wmcarey.edu.

## Troubleshooting & Help

The William Carey University Information Technology Department, IT, provides assistance to students through a ticket based help system. In order to receive support with your IT needs, you must complete and submit a form that will provide necessary information to the IT Department for troubleshooting.

If you are having trouble logging into our services, please use the following instructions to submit an online support ticket.

---

### IMPORTANT NOTICE

*To avoid confusion and delay of resolution, you should not submit an online support ticket unless you have reviewed this document and attempted to resolve the issue based on this guide. When submitting an online support ticket, IT will assume that you have done this and will complete steps to resolve your issue based on this assumption. If you have not reviewed this document and submit an online support ticket, response and resolution times may be extended beyond normal expectations.*

---

## Do you need to submit an online support ticket?

1. Navigate to <https://indigo.wmcarey.edu/help> in your web browser.
2. Fully complete the form provided.
3. Click Submit.

## Want to change your WCU account password?

You will no longer be able to change your password from within D2L. All WCU passwords must be changed during the account setup process or from within the Indigo Portal. Follow the instructions below to change your WCU account password at any time.

1. Login to the Indigo Portal
2. Click on Change Password.
3. Click Submit.

## Did you forget your WCU account password?

If you have forgotten your password, please go to <https://indigo.wmcarey.edu/student> and click on the Forgot your Password? link to attempt to reset your password. When you reset your password it will affect access to all of your WCU IT resources.
